**Fly Fishing Smorgasbord:** Learn about fly fishing for various species of fish around the world.

**Advanced Fly Tying:** Thoughts and demonstrations on designing and tying Clouser designed flies.

**Fly Casting:** Learn Bob's basics and fundamentals suitable for all fly casters.

## **Partial Angling Biography of Bob Clouser**

Bob is one of the great innovators in fly tying and fly design. His Clouser Minnow is claimed to be the most effective underwater fly developed in four decades. Other designs by Bob include the E-Z Popper, Crippled Minnow, Hellgrammite and many more. An active outdoorsman for many years, Bob teaches fly tying, fly casting and fishing and hosts trips to great locations, most frequently in the Bahamas and in the Yucatan.

Bob is a writer and video producer on fly Fishing subjects. He has received many honors and awards, including the induction into the National Freshwater Fishing Hall of Fame as Legendary Angler, several national awards from the Federation of Fly Fishers and "Angler of the Year" for 2000 by *Fly Rod and Reel Magazine*.

Together with his son Bob, Jr., and his wife Joan, Bob operates Clouser's Fly Shop, a mail order business and a Smallmouth Bass Guide Service from his home at 101 Ulrich St., Royalton/Middletown, PA 17057. His web site is [clouserflyfishing.com](http://clouserflyfishing.com). Bob is on the advisory staff for the St. Croix Rod Company, Umpqua, Renzetti, Inc. and Rio Products.
